

AUSTRALIA (SYDNEY)

CONSULTANT

Company

Established in 2000, our client is a specialist marketing, e-commerce, sales and business development consultancy focusing on marketing, e-commerce, sales and business development professionals into multiple sectors across 10 offices around the world.

Our client operates in London, continental Europe, Middle East, Australia and Asia and they are unique within the market as they are the only specialist recruitment firm with regional expertise, as well as being part of a larger global business.

Their specialist marketing recruitment consultants work with law firms, banks, financial institutions, global brands, technology and digital specialists to find the very best talent for their marketing, e-commerce and sales teams. For over 15 years, our client has developed a comprehensive knowledge of their clients and a superb candidate network on a global basis.

They cater to the full spectrum of marketing, e-commerce, sales and business development recruitment at all levels.

Our client is seeking individuals to drive business development within Marketing into the Financial Services industry. The ideal candidate should have previous Marketing into FS experience.
